RELEVANT COURSEWORK

University of California Irvine, Irvine— currently

September 2018 - June 2022

Studying to achieve a B.S degree in Computer Science and Engineering

ADDITIONAL EXPERIENCES

Volleyball — September 2013- current

Participated in school and club volleyball from eighth grade to senior year and am currently a part of the UCI women's club volleyball team.

Cameron House(Volunteer)— June 2013- July 2018

Summer Camp I have gone to as a kid, from kindergarten to eighth grade, then in high school started to volunteer here every summer. My responsibilities include planning and organizing games, activities, and lessons for each week. This would be from Mon-Fri from 8am-6pm. Other responsibilities I had were taking care of the children by watching them throughout the day.

Girl Up Club —September 2015- May 2016

This club focused on raising money to send to South American countries. Specifically for native girls who needed school supplies or help with buying food.

Knights for change Club—September 2015- May 2016

Participated in volunteering and community service with the community around our school.

UCI Club Volleyball (Treasurer) —September 2019- June 2020

Participated in club volleyball and am still continuing along with a position on the board. In charge of finances for the team and anything along the lines of budget.

UCI Club Volleyball (Vice President) —September 2020- June 2021

Participated in club volleyball and am still continuing. Board position includes assisting presidents as well as organizing home tournaments and overseeing travel information.
